Dear Junior or Senior HaZamirnik --

Having toiled through them like you are not so long ago, the HaZamir Alumni understand how stressful college searches and applications can be, and we want to help! Please contact us at hazamiralumni@gmail.com to give us a list of the schools you intend to visit, and we will let you know whether there is an alum on that campus to show you around, take your questions, get a tour, spend Shabbat, or talk about majors and music groups on campus. Attached is a partial list of where we can find HaZamir Alumni. It's always good to know that there is someone on your campus with whom you share common interests who will be there when you arrive.

Good luck with your search, and we hope to see you on campus!
